

TO: ALL ROOTES GROUP DEALERS

With effect from January 1, 1964, all service bulletins issued will be classified by an index letter and a number showing the order of issue of bulletins.

Tabulated below is the index letter and its reference to the main unit or subject. This index letter will be the same as the section letter in the workshop manuals to allow easy cross reference and better tabulation of bulletins.

- | | |
|------------------------------|--------------------------|
| A - COOLING SYSTEM | J - STEERING |
| B - ENGINE | K - BRAKES |
