No. C-6

JANUARY, 1965

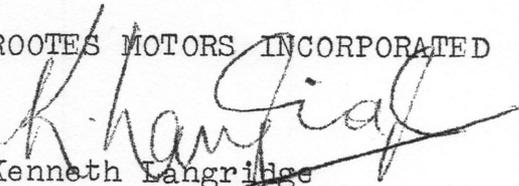

TO: ALL ROOTES DEALERS  
MODEL: IMP  
SUBJECT: SOLEX CARBURETOR AUTO CHOKE  
PLASTIC CHOKE COVER/BI-METAL SPRING

In order to deal with complaints of breakage of the bi-metal spring and/or wear on the brass centre post, a modification has been introduced which consists of an improvement to the central anchorage of the spring by use of a brass ferrule.

The modified cover retains its original Part Number (7080084) and all future supplies will be to the improved type.

Note: A comprehensive Bulletin on the Imp auto choke Solex carburetor will be issued in the near future.
