TO ALL ROOTES GROUP DEALERS

As is normal in the business, our factory has advised of certain color changes which may start filtering in to our warehouse locations.

So that you will be advised in advance, matching enamel formulas have been completed by the E.I. DuPont de Nemours & Co. and below is the detail indicating the relevant DuPont formula File Number, mixing enamel ingredients and gram scale settings to produce minimum quantity matches to these colors:

<u>(93)-29016 SEACREST GREEN</u>	<u>TO MAKE</u> <u>1 QT.</u>	<u>(93)-29018 WEDGEWOOD BLUE</u>	<u>TO MAKE</u> <u>1 QT.</u>
VD-5450 Additive	38	VD-5450 Additive	38
No. 5 Ferrite Yellow	106	No. 15-H Blue	55
2 Black	174	2 Black	85
