No. 216

December 14, 1960.

TO ALL ROOTES GROUP DEALERS

Through the cooperation of the Bendix Corporation, South Bend, Indiana, who now are the U. S. representatives for Messrs. Zenith, which carburetor is fitted to some of the Rootes Group vehicles imported to this country, to handle the full Warranty enforced by the overseas Zenith organization, attached is a Statement of Policy issued by Messrs. Bendix outlining the Warranty applied to products manufactured by Zenith, Ltd.

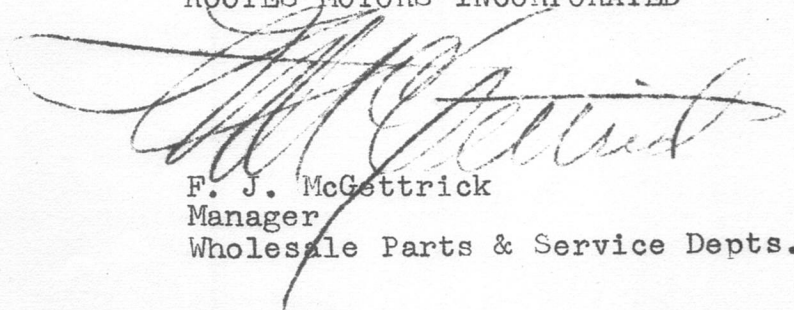

Rootes Motors Incorporated will act as the clearing house in behalf and for Messrs. Bendix on the implementation of this Warranty. Therefore, any Dealers who are concerned with a Warranty problem in connection with any Zenith carburetor need only to file the appropriate Warranty Claim Form No. 77 REV 2/60 direct on this office, forwarding the removed material for inspection when the appropriate credit will be passed on.

It must be remembered that the policy enforced by Rootes in respect of the total vehicle, for example total assemblies are not replaced as long as component units of the assembly are available, will apply in the case of the carburetor as well.

A full line of Zenith components applicable to Rootes Group products will be stocked at our parts depot for Dealer order, which is a program we feel all Dealers have wanted for some time.

Kindly bring the foregoing to the attention of all concerned at your location.
