CAR MAKE/MODEL

1966 Sunbeam Tiger Mark IA

Factory original 8 Cylinder, 260 cu in Ford engine and manual transmission, 200HP
2 door, convertible soft top

SUMMARY

This Carroll Shelby and George Boskoff signed Tiger is in good driving and cosmetic condition. It retains the original engine and transmission, and has not had major mechanical or body modifications other than paint.

“Los Angeles Tiger” LAT 9 wheels and LAT 58 Silver Stripe Tiger Tail are distinguishing features.

PRICE

\$75,000.00 USD

LOCATION

Vancouver, British Columbia, Canada

MILEAGE

80,349 original miles

COLOUR

Orange (Candy Paint) with black interior and 4-point seatbelts

VIN

B382001859LRXFE (Registered)

Tiger Authenticity Certificate #0540 and appraisal available for inspection.

The car has undergone mechanical and interior restoration 2002-2007, but there have been no major mechanical or body alterations. It retains the original Ford 260 motor and transmission, LAT 9 wheels, LAT 58 Tiger Tail, LAT 16 window decal (passenger side). The original maple steering wheel and burl panel are in very good condition. Panel elements are working.

Sale includes a spare tire mounted on a rim, a spare LAT 9 Pie mag rim, and a square corner trunk lid as a spare part (green paint).

KNOWN HISTORY

By description from the two previous owners, it has won 2nd and 3rd places at two US Sunbeam shows.

1983 – Sept 29, 2001 Source: 2001 Sales advertisement. Owner Dale R. Dignan in Pennsylvania performed Cosmetic restoration including interior elements, fresh paint, new rockers, and plating behind rear wheels. Placed 2nd out of 17 Sunbeams at a local British car show.

Odometer reading at time of sale: 65,350 miles

Sept 29, 2001 – Sept 13, 2007 Anthony DiBattista, former TEAE President, Pennsylvania – Restoration of many mechanical parts, Interior, and Soft-top. Placed 3rd in a US car show, where Carroll Shelby & George Boskoff signed the vehicle (photos below).

Odometer reading at time of sale: 69,029 miles

Sept 2007 – present Josie Schmid, Vancouver, British Columbia, Canada - Repainted and installed 4-point seatbelts. Indoor storage for 7 months of each year.
